

# ENERGY EVALUATION EUROPE 2022 CONFERENCE

ENERGY  
EVALUATION  
EUROPE

Formerly:

Join us at the Energy Evaluation Conference on 28-30 September 2022 in the Paris region. Be a part of your evaluation community and join us to discuss recent experiences, debate new ideas, learn from your peers and get inspired by keynote speakers.

**ABSTRACT  
SUBMISSION  
NOW OPEN**

Head to [www.energy-evaluation.org/2022-europe-conference/abstracts](http://www.energy-evaluation.org/2022-europe-conference/abstracts) to submit now!

Abstract Submission  
Deadline: **28 January 2022**

## We will

- explore how energy transition goals can be reached faster
- identify what works and what does not
- debate about hot topics and come up with innovative solutions
- discuss whether incremental changes can be enough, or if breakthroughs are needed

## Taking into account

- multiple non-energy impacts
- energy poverty and social justice
- how energy efficiency relates to other fields

Do you have something  
to share with us?

Prepare your abstract for a paper, presentation, poster or panel discussion, and get your work under the spotlight at the conference!

**SUBMIT  
YOUR  
ABSTRACTS  
TODAY!**

**DATE: 28-30 SEPT 2022**  
**LOCATION: PARIS REGION**
