

EEAP VIRTUAL CONFERENCE 2026

PRELIMINARY PUBLIC CONFERENCE AGENDA

Building an Evidence-Based Path to Net-Zero Energy Transition and Sustainable Development

DATE
Thursday, 1 October 2026

TIME
10:00 AM–2:00 PM

FORMAT
Virtual • Bangkok time (UTC+7)

OPENING AND KEYNOTE | 10:00–10:20

Conference Opening and Keynote Address

Welcome remarks and keynote framing for the conference.

TIME	PROGRAMME
10:00–10:05	Welcome and introductory remarks <i>Conference framing, housekeeping and programme overview • EEAP representative</i>
10:05–10:20	Keynote address: From Climate Ambition to Evidence Speaker: Mr. Abhishek Gupta, Programme Manager- Sustainable Energy for All (SEforALL) <i>focus: evaluation for credible, just and investable energy transitions</i>

PROGRAMME BLOCK 1 | 10:20–11:00

Evidence for Net Zero and Productive Use

Evidence on Thailand's industrial transition and Indonesia's productive-use mini-grid systems.

TIME	PROGRAMME
10:20–10:22	Session introduction <i>EEAP representative introduces the session and speakers</i>
10:22–10:37	Evidence-Based Evaluation on Industrial Decarbonization in Thailand: From Past Performance to Net Zero Target Speaker: Wongkot Wongsapai Authors: Wongkot Wongsapai; Sopit Daroon
10:38–10:53	From Diagnosis to Design: Evaluating Mini-Grid Underperformance and Productive-Use Potential in Remote Indonesian Islands Speakers: Reiner Nathaniel Jabanto and Roihans Iqbal Authors: Reiner Nathaniel Jabanto; Roihans Iqbal; Anthea Previanti Amalia; Rizky Fauzianto; Faraz Usmani; Boaz Liesdek
10:53–11:00	Q&A <i>Questions for the two presentations</i>

PROGRAMME BLOCK 2 • 11:00–12:00

Regional Systems and Urban Development

Examining ASEAN-wide decarbonization, Thailand's net-zero pathway and ex-ante evaluation of transit-oriented development.

TIME	PROGRAMME
11:00–11:03	Session introduction <i>EEAP representative introduces the theme and speakers</i>
11:03–11:18	Thailand's Pathway to Net-Zero Emissions: An Integrated Energy System Assessment Speaker: Nattapong Chayawatto Authors: Nattapong Chayawatto; Sanwit Iabchoon; Atit Tippichai; Thongchart Bowonhumrongchai; Saw Yu New; Bundit Fungtammasan; Boonrod Sujakulnukit
11:19–11:34	Energy Efficiency Effects on the Carbon Dioxide Emissions of Selected ASEAN Countries Speaker: Cristina Alfonso Authors: Cristina Alfonso

11:35–11:50	Outlining an Ex-Ante Evaluation Strategy of a Solar-Powered Transit-Oriented Development (TOD) Project in Indonesia Speaker: Steivan Defilla Authors: Steivan Defilla; Brury Bangun; Paul Butarbutar
11:50–11:57	Q&A <i>Questions for the three presentations</i>
11:57–12:00	Screen break <i>Four-minute comfort and connection break</i>

PROGRAMME NOTE Each paper is an individual 15-minute presentation. A one-minute handover is built in between consecutive presentations. Questions are grouped at the end of each thematic block.

PROGRAMME BLOCK 3 • 12:00–1:00

Community Energy Livelihoods and Innovation

Connecting community-led energy delivery, clean-energy livelihoods and startup ecosystems.

TIME	PROGRAMME
12:00–12:03	Session introduction <i>EEAP representative introduces the theme and speakers</i>
12:03–12:18	A Youth- and Community-Led Solar Water System in Rural Thailand Speaker: Varunthorn Kungsanant Authors: Varunthorn Kungsanant
12:19–12:34	Startups as Catalysts of Energy Transition: Their Potential Role in the Evolution and Deployment of New Energy Technologies in the Indian Subcontinent Speaker: Aakanksha Mishra Authors: Aakanksha Mishra; Dr. Rajib Kumar Mishra
12:35–12:50	Beyond the Average: What Disaggregated Data Reveals About India's Clean Energy Livelihoods Transition Speakers: Divya Gaur and Priyatam Yasaswi Authors: Priyatam Yasaswi; Divya Gaur
12:50–12:57	Q&A <i>Questions for the three presentations</i>
12:57–1:00	Screen break <i>Four-minute comfort and connection break</i>

PROGRAMME NOTE Suggested engagement: invite participants to post questions throughout the presentations and use a short poll to identify priority evidence gaps.

PROGRAMME BLOCK 4 • 1:00–2:00

Gender Justice and Climate Accountability

Bringing results-based gender analysis and international legal perspectives into transition decisions.

TIME	PROGRAMME
1:00–1:03	Session introduction <i>EEAP representative introduces the theme and speakers</i>
1:03–1:18	Results-Based Gender-Just Energy Transitions Speakers: Yoonyoung Jung and Sohna Ngum Authors: Yoonyoung Jung; Sohna Ngum
1:19–1:34	The Evaluative Foundations of Climate Justice: Lessons from the ITLOS Advisory Opinion for Evidence-Based Energy Transition Speaker: Lan Wu Authors: Junhua Qu; Lan Wu
1:34–1:48	Extended Q&A and cross-session reflection <i>Questions for the two presentations and links to the day's earlier evidence</i>

1:48–1:57

Conference synthesis and concluding remarks

Key messages, next steps and acknowledgements • EEAP representative

1:57–2:00

Final audience poll and close

Participant feedback, resources and formal close

PROGRAMME NOTE All times are Bangkok time (ICT, UTC+7). The preliminary programme, keynote speaker and institutional affiliations remain subject to confirmation.
